### Title

Naval History and Heritage Command's Photo Archives

### Date

1801 – 1966

### Description

The Naval History and Heritage Command's photo collections are related to the US Navy with specific emphasis on ships, aviation, places, wars/events, activities, and significant individuals associated with naval history. Photographs in the collection reflect both official and unofficial naval viewpoints and consist of donations and transfers made by both the Navy and the general public. The photos represent vessels, ceremonies, and naval personnel.

This collection comprises selected photographs downloaded from NHHHC's Photo Archives catalog that depict the New York Naval Shipyard. Originals are in the custody of the Naval Historical Foundation and Naval History and Heritage Command. Items in the collection have been digitized and can be found in Naval History and Heritage Command's digital library: <https://www.history.navy.mil/our-collections/photography/numerical-list-of-images/nhmc-series/nh-series.html>. All items are in the public domain with no restrictions on use.
